

JONH KISTER S. TAMUNDEZ

CAREER OBJECTIVE

To utilize and develop my skills and abilities that offers professional growth. To hone my present knowledge learned through practical job experiences and opportunities for development.

EXPERIENCE

Work Immersion 2018 (14 Days)

Mostly Installation of Microsoft Office, Windows, Drivers, and Assembling of the system unit.

CAPSTONE PROJECT (August, 12, 2023-June, 17, 2024)

Event Attendance Monitoring System Using Face Recognition for Bulacan Agricultural State College, developed in Bootstrap as the front end and PHP, MySQL as the back end.

On-The-Job Training (February 2023 - May 2023)

At Jae-Hub, I trained as a Web Developer, Graphic Designer, and Video Editor. I gained hands-on experience in creating visually appealing websites, designing engaging graphics, and editing videos. This training enhanced my skills and knowledge in these areas, contributing to my expertise in web development, graphic design, and video editing.
